

# Reception Newsletter 5

We hope you have all had a great Easter and are ready for another fun filled term!

## Topics For The Term

Our topic this term is All Creatures Great and Small! Throughout this term we will be learning all about different animals and their habitats. We will be watching tadpoles grow in the investigation area and go an exciting school trip to Twycross Zoo in May!

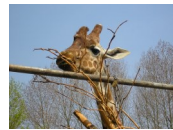

We will be developing our writing skills and be writing for different purposes using the new graphemes we have learnt.

In maths we will be learning to count forwards and backwards to 20, and how to double numbers.

## Reception Dates For Your Diary

13th May—Trip to Twycross Zoo

## Bikeability!

Over the next term we will be having Bikeability sessions during which the children will be developing their cycling skills.

## Homework

Please continue to read frequently and record on the Learning With Parents platform. Please remember to look at the weekly posts from Mrs Mckeown on Class Dojo. The link shared is so you can access our shared reading books. These texts align to the phonemes and red words we are teaching.

## Communication

If you would like to contact your child's class teacher please email.
