This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

**The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).**

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

## Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
DCCT affiliation	Year 1 and 2 children attended KS1 cricket festival event.	Next year, more children to access DCCT events. Book on to more competitive events (e.g. the new KS1 track and field competition) and a range of festivals particularly focusing on PP children.
More active lunch and playtimes	Increased activity at lunch and playtimes through OPAL play and the use of the Anomaly screen and the two Activ boards. In turn, behavior has improved too.	Continue raising the profile of OPAL through bi-weekly assemblies. Ensure any new staff receive training. Continue to use the boards.
Introduce the new PE scheme of work (Primary PE Planning)	The curriculum is now more progressive. Children's voice shows that children have enjoyed the new scheme. Staff are able to access planning and deliver sessions.	Monitor to see if any units need changing.

Introduce Drumba to KS1	Drumba was successfully delivered during PE lessons for Years 1 and 2. The children really enjoyed this unit in PE. Year 2 did a Drumba performance to parents at the Arts Festival.	Continue in Years 1 and 2. Introduce to FS.
Review and purchase of resources to improve the effective delivery of PE during curriculum lessons.	The pupils made progress through the use of the new resources. Staff felt well equipped to deliver high quality physical education lessons and assess pupil performance.	Continue to monitor.
Deliver more alternative sports	Children broadened the range of sports they participated in. An outside company came in to deliver wheelchair basketball sessions for Year 2. Feedback from the children was very positive. Premier Sports delivered goalball and archery sessions to Years 1 and 2.	Book wheelchair basketball again for 2024/25
Offer a range of after school clubs	Children had the opportunity to take part in basketball and Soccer Stars sessions.	Increase the range of after school clubs on offer
Improve children's ability to ride a bike	All FS2 children received Bike Ability sessions. Feedback from staff was positive. Children enjoyed the sessions and all made good progress with their cycling.	Book Bike Ability for FS2 again

## Key achievements 2024-2025

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Affiliation to the Derby County Community Trust	We have had a huge increase in the number of children attending DCCT events, with 154 children attending at least one event this year, compared to only 30 last year. We have taken part in 8 festivals and 1 competition (compared to 1 festival and 0 competitions last year).	Affiliate with the Derby County Community Trust again in 2025/26. Attend the September briefing to plan out competitions and festivals with the aim of attending a high number of events again and increasing the number of SEND events. Also identify CPD needs within the school and book onto relevant CPD courses available through the DCCT.
Sports coach specialist provision	Throughout the year, all children have received some specialist sports provision in their PE sessions, which the children have enjoyed. Guidance and support have also been readily available to teaching staff when teaching their PE lessons.  This has allowed us to attend more external events throughout the year and also provide extra after school clubs (free of charge to parents) and lunch time sports provision. A weekly 'Sports Award' is also available to children as a reward.	To continue next year. Some lunch clubs to focus on the identified bottom 20%.
Subscribe to the Primary PE Planning website	Teachers with differing levels of confidence in teaching PE have been supported in delivering high quality, progressive PE lessons.	Continue subscription

Wheelchair basketball sessions delivered by Express Coaching Services Ltd	Every Year 2 child received wheelchair basketball PE sessions for half a term. Feedback from the teachers and pupils was very positive.	To repeat next year or find a suitable alternative sport
Curriculum dance lessons provided by an outside provider	All children in the school received dance sessions (from a range of genre) delivered by SH Active in their PE lessons, which they enjoyed. Teachers also observed the sessions as part of their CPD.	Provide curriculum dance lessons next year with SH Active or find an alternative provider
Provide a wider range of after school sports clubs	CIS provided clubs in basketball, multi sports, dodgeball and ABC club. SH have provided clubs in trampolining, street dance, circus skills and nerf club. And Soccer Stars has been running a weekly football club.	Continue to widen our offer of after school clubs
Drumba subscription and equipment hire	All year groups received Drumba as part of their PE sessions for half a term. We used the portal which provided progressive lessons for each year group. The children enjoyed the sessions.	Continue subscription and look at ways to utilise it more
Build on our OPAL provision	We have continued to build on our OPAL provision, with an even wider variety of play on offer at break and lunch times. We achieved the OPAL platinum accreditation.	Continue next year
Bikeability	All reception children took part in Bike ability. This has allowed all the children to develop the necessary skills required to confidently and safely ride a bike.	Book again for next year
